Executive Officer, Human Resources Services
Halton Catholic District School Board

Dear Members,

The above Art positions are a direct result of our new negotiated four (4) year Collective Agreement. Currently the Board is advertising for eight of these positions and more will follow in the fall and over the next three (3) years. This will be a terrific opportunity for experienced teachers who have a love and/or skill set in the Arts. These positions must be filled. There are a great deal of highly talented teachers, fresh out of the Faculty of Education, that would love one of these positions, however, the wealth and talent that an experienced teacher can bring to these positions would be far more advantageous.

Again, please remember, these positions must be filled and if internal candidates do not apply, they will be offered to graduates out of the Faculty or our members on the Occasional teacher list.
