Banked Planning Time

With the warm weather upon us and teacher illness on the decline due to the flu Consult with your Principal about arranging supply teachers so this time can be used up prior to June 30, 2010.

Use It
Or
Lose It !!!!

Article 18.03 (c):

“A teacher may bank lost planning time which shall be rescheduled within the current school year by the Principal in consultation with the affected teacher.”

If you and your Principal attempt to bring in a supply teacher to eliminate the banked planning time but are unable to secure an occasional teacher for this purpose, please let the Unit office know. Human Resources has done an excellent job in attempting to return all the banked planning time to date. If there is an exceptional situation, please call me immediately.
